ENTREPRENEURSHIP DEVELOPMENT
2 JULY 2016**

ORGANISED BY

DEPARTMENT OF MECHANICAL ENGINEERING
MANGALAM COLLEGE OF ENGINEERING,
ETTUMANOOR, KOTTAYAM, 686631.

ABOUT THE INSTITUTE

Mangalam College of Engineering (MLM) stands supreme in the field of technical education with excellence and quality in education. The institution has become one of the leading technical institutes in Kerala. In keeping with MLM's goal of excellence, the academic programs are supported by well-experienced and dedicated faculty, which is committed to equip the student with knowledge and skills needed to succeed in today's rapidly changing world. We offer B.Tech degree course in 6 Engineering disciplines, Bachelors degree in Architecture, Bachelors degree in Arts, Computer Application and Commerce and Masters Degree in Engineering, Business Administration and Commerce. In short span of 14 years of its existence the college bagged several university ranks and won titles in socio-techno-academia activities. MLM is engaged in a wide spectrum of activities covering research and development, industrial consultancy, continuing education and faculty & staff development. The college is located at Ettumanoor, Kottayam, Kerala. The college is affiliated to Mahatma Gandhi University, Kottayam and APJ Abdul Kalam Kerala Technological University.

ABOUT THE DEPARTMENT

The department of Mechanical Engineering has recorded consistent growth over the years since its establishment in 2004. Currently offers UG Program in Mechanical Engineering and PG program in Industrial Engineering and Management. The annual intake of the B. Tech. programme is 60 students and that of the M. Tech. is 18. The AICTE has given the approval to start one more batch of 60 students in B. Tech programme from 2012 academic year onwards. The department provides its students an environment that stimulates their intellectual growth and personality development. Infrastructure facilities are excellent with well-equipped labs, classrooms and libraries.

ABOUT THE COURSE

Innovation and Entrepreneurship Development Cell (IEDC) is being promoted in educational institutions to develop institutional mechanism to create entrepreneurial culture in Science and Technology academic institutions and to foster techno-entrepreneurship for generation of wealth and employment by Science and Technology persons. Inculcating a culture of innovation driven entrepreneurship, catalyze and promote development of knowledge-based and innovation-driven enterprises, promote employment opportunities amongst youth specially students and channelize the knowledge and energy of youth towards becoming active partners in the economic development process are among the top objectives of IEDC.
